DEVEX 2027

25-26 MAY 2027, CHESTER HOTEL, ABERDEEN

COLLABORATING TO POWER THE FUTURE OF DOMESTIC ENERGY

Solutions. People. Energy.™

GESGB

Aberdeen Formation Evaluation Society

CALL FOR ABSTRACTS – DEADLINE 29TH JANUARY 2027

For 24 years, DEVEX has been the only technical conference of its kind to focus on the full E&P project cycle; from exploration, appraisal, development and production, through to CCUS and decommissioning.

Renowned for its operator-led programme and strong case histories, DEVEX 2027 brings the industry together to share lessons learned, best practice and innovation. As the North Sea enters its next chapter, this year's theme is rebuilding the North Sea: strengthening UK domestic energy, championing best practice in local oil and gas, and moving towards cleaner energy.

We look forward to welcoming geoscientists, geophysicists, geologists, reservoir engineers, petroleum engineers and all Young Professionals to the 24th DEVEX Conference in Aberdeen!

- Cutting edge case studies
- Numerous operator presentations
- Multiple networking opportunities
- Exhibition showcasing the latest technologies and trends
- Cost effective Training
- Young Professionals Event
- Field Trip
- Core

CONTACT DETAILS

conferences@spe-aberdeen.org
(+44) 1224 646311 www.spe-aberdeen.org

WE ARE LOOKING FOR ABSTRACTS THAT ARE FOCUSED ON BUT NOT LIMITED TO THE FOLLOWING THEMES

- Case studies from field development and production enhancement
- The future of oil and gas in the UK
- Energy Transition and Energy Security
- Subsurface model evolution through production life – surprises and solutions
- New technologies
- Learnings from using AI
- Future exploration
- Efficiencies in decommissioning

PRESENTATION FORMAT AND WHAT'S REQUIRED

- A short 200 word abstract submitted by 29TH January
- Format - 20 minutes plus Q&A or 5 minute techbyte (sales oriented pitches)
- We encourage innovative presenting styles, not necessarily powerpoint slides
- Case histories and collaborations from the UKCS and across NW Europe are encouraged

HOW TO SUBMIT YOUR ABSTRACT

Submit your abstract by emailing conferences@spe-aberdeen.org by Wednesday 4th February 2027.

SPONSORSHIP

SPE Aberdeen, GESGB and AFES are not for profit organisations. Raising sponsorship is crucial to help us ensure that DEVEX continues to be an affordable and valuable training opportunity for the industry; to enable us to re-invest back into industry and society and to support our future generation of young engineers and geoscientists.

This is your opportunity to sign up early, take advantage of the early bird sponsorship rates and be a prime example of industry collaboration to deliver a first-class conference for the industry. Any surplus funds get reinvested by each organising society to help support the future of our young engineers and geoscientists.

The full list of sponsorship and exhibition opportunities will be published shortly.

PREVIOUS SUPPORTERS HAVE INCLUDED:

bp, Shell, Spirit Energy, North Sea Transition Authority, CNOOC, Repsol Sinopec, CNR International, TAQA, Suncor, Jersey Oil & Gas, Harbour Energy, TotalEnergies, dana Petroleum, tNavigator, HRH Geology, ERCE, slb, Hartshead Resources, Halliburton
