- **The Energy Transition** – Emissions Reduction, Geothermal, Hydrogen, CCS and Gas Storage for Energy Security
- **Well Decommissioning** – Reducing Costs, Novel Techniques and Technology, Batching and Well campaigns
- **Restoring Well Integrity** – Reinstating Shut-in Wells to Maximise Economic Recovery
- **Production Enhancement in Aging Wells** – Water, Sand and Scale Management, Stimulation, Artificial Lift etc.
- **Logistics Challenges** – Aging Basin, Aging Workforce, Aging Equipment?
- **Data Acquisition and Surveillance** – Advances in Logging and Analysis, Digitisation and Automation, Lower Cost Logging

We are also interested to hear Europe-wide examples, Operator/Service company collaborations and lessons learned.

How to submit your abstract

Companies are invited to submit abstracts of no more than 200 words for presentations lasting 20 minutes or for 5 minute 'Techbytes' (shorter sales-oriented pitches) Visit www.icota-europe.com for more information.

Technology Demos

We would like to encourage companies to consider bringing their technologies for demonstrations within the exhibition area. If you would like to discuss in more detail, contact admin@icota-europe.com

Why get involved?

- **Largest and longest established** conference of its kind in Europe
- **Original Operator stand** – talk to 10 Operators across two days
- High quality presentations with numerous **Operator case histories**
- Short techbytes, e-poster and **Panel sessions**
- **Exhibition** showcasing the latest technologies
- **Cost effective training** counting towards CPD
- **Support the industry** – ICoTA Europe and SPE Aberdeen are not for profit associations.

ICoTA Europe and SPE Aberdeen are both not for profit associations. They reinvest surplus funds to help support not only today's engineers, but also our future generation.

Being involved in the SPE ICoTA European Well Intervention Conference will ensure that you receive an unmatched level of brand recognition for your company in front of an audience of industry peers. It will also ensure that you are recognised as being a key supporter in the development of our young engineers.
