

SPE ICoTA 32nd European Well Intervention Conference

P&J Live, Aberdeen
11th - 12th November 2026

From Proven Value to Greater Impact:
Collaborating for Smarter Well Interventions

ICoTA
Intervention & Coiled Tubing Association
Europe Chapter

Deadline for Abstract Submissions – 17th July 2026

Abstracts are now open!

The well intervention landscape is evolving. Industry data continues to demonstrate strong economics, with the UKCS delivering 37.5 million barrels of oil equivalent annually through interventions and a compelling cost of just £9.60 per barrel. Targeted well intervention remains one of the most powerful tools for extending field life and maximising recovery from existing assets. Yet to minimise any decline in activity, the industry must act together.

This year's conference will focus on how proactive intervention delivery, and stronger industry collaboration can unlock restoration potential across the basin. We will explore how well intervention activity supports not only near-term production, but also long-term decommissioning outcomes, well integrity, and basin stewardship.

We invite abstracts on themes including:

- Well restoration and reinstatement
- Industry collaboration and stewardship
- Data-driven candidate selection and intervention planning
- Well integrity, sustained casing pressure, and safety

How to submit your abstract

Companies are invited to submit abstracts of no more than 200 words for presentations lasting 20 minutes or for 5 minute 'Techbytes' (shorter sales-oriented pitches).

Visit the **ICoTA Europe Website** for more information.

Technology Demos

We would like to encourage companies to consider bringing their technologies for demonstrations within the exhibition area. If you would like to discuss in more detail, **contact: admin@icota-europe.com**

Why get involved?

- Largest and longest established conference of its kind in Europe
- Original Operator stand – talk to 10 Operators across two days
- High quality presentations with numerous Operator case histories
- Short techbytes, e-poster and Panel sessions
- Exhibition showcasing the latest technologies
- Cost effective training counting towards CPD
- Support the industry – ICoTA Europe and SPE Aberdeen are not for profit associations

Last year's keynote saw senior Operator leaders outline ambitious plans to ramp up intervention activity in 2026. This year, I'm eager to hear how those plans have delivered – new technologies deployed, successful applications of existing tools, stronger partnerships, and more barrels unlocked.

The SPE/ICOTA European Well Intervention Conference continues to lead the way with high quality technical content, strong operator engagement, and outstanding exhibitors – all at exceptional value at less than half the cost of equivalent industry events.

Darren Paul,
ICoTA Board member

Based on your feedback

This year the conference and exhibition will be side by side on the same floor, with an updated layout, increased focus on Operator participation and an updated programme.

Platinum Sponsor

Lanyard Sponsor

Barista Sponsor

Coffee Break Sponsor

ICoTA Europe and SPE Aberdeen are both not for profit associations. They reinvest surplus funds to help support not only today's engineers, but also our future generation. Being involved in the SPE ICoTA European Well Intervention Conference will ensure that you receive an unmatched level of brand recognition for your company in front of an audience of industry peers. It will also ensure that you are recognised as being a key supporter in the development of our young professionals.

- Branding on all materials via ICoTA and SPE, pre, during and post conference
- 1 free conference pass for both days

Exhibition Stand Space

The Conference will be accompanied by a major exhibition of all the latest intervention tools, technologies and services available to the market. Raise your profile and showcase your capabilities to major operators and service companies.

Exhibition space will be located in the high footfall catering area. Shell scheme or space only packages are available.

Shell scheme packages include the frame, lights, company header and x1 power socket. With space only, you are paying for just the space and power and lighting will be extra.

Item	Description	Space Only	Shell Scheme
1	3m x 2m stand + 1 free conference pass for both days	£2777	£2915
2	6m x 2m stand + 2 free conference passes for both days	£4882	£5216
3	9m x 2m stand + 3 free conference passes for both days	£7171	£7529
4	12m x 2m stand + 4 free conference passes for both days	£9208	£9668
