Seismic2027

UNDERPINNING THE ENERGY FUTURE

21 – 22 APRIL 2027, ARDOE HOUSE HOTEL, ABERDEEN

CALL FOR ABSTRACTS – DEADLINE 27TH NOVEMBER

Seismic is a leading and unique event in Aberdeen, hosting two days of technical talks exclusively focused on seismic and geoscience across the energy lifecycle. Seismic 2027 will show how geophysics underpins the energy future; showcasing technical foundations that are shared across industries, from oil & gas to carbon capture and storage, offshore wind to geothermal.

Our primary focus is bringing the geophysical community together, to renew and build our cross-industry network. Seismic 2027 is a fantastic opportunity to showcase new technology, share lessons learned, influence industry practise and communicate case studies, in a supportive and curious environment of peers.

We welcome case studies, technology examples and lessons learned from any basin or region: submissions drawing on experience outside the North Sea are just as welcome as familiar UK and Norwegian examples.

Do you have case studies or technology examples to share with our audience? We invite you to submit a 200-word abstract for consideration for the 2027 conference programme. Please submit any geophysical paper you believe will interest our audience, even if they fall outside the listed themes, for review by our technical committee.

This year's call for abstracts is broken down into five main themes outlined below:

- **Acquisition & Processing**
  Including early-stage processing, borehole geophysics, VSPs
- **Imaging**
  Including FWI, migration and velocity modelling
- **Interpretation & Case Studies**
  Including quantitative interpretation (QI), 4D seismic, modelling and visualisation
- **Non-Seismic Methods**
  Including gravity, magnetics, microseismic, DAS and CSEM
- **AI & Digitisation**
  AI will be present across all themes. It's inclusion as an additional standalone theme reflects its growing prominence across our industries

Submissions are welcome from all energy sectors including oil & gas, CCS, offshore wind, and geothermal. The themes above are intended as a guide rather than a strict fit.

SUBMIT YOUR ABSTRACT

Event Sponsor TGS

SEISMIC 2027 – SPONSORSHIP OPPORTUNITIES

The organisers of this event, SPE Aberdeen, are a not-for-profit organisation with the aims of:

- Promoting technical knowledge and research in the energy sector
- Supporting professional development and career growth
- Facilitating networking and collaboration among industry professionals
- Encouraging education, outreach, and future talent development in energy

Raising sponsorship is crucial to help us ensure that Seismic continues to be an affordable and valuable training opportunity for the industry, to enable us to re-invest back into industry, and to support our future workforce.

For any queries, contact the Events team on **conferences@spe-aberdeen.org** or **01224 646311.**

PLATINUM SPONSOR £5,880 + VAT

- Prime positioning of company branding across all event materials including website, abstracts flyer, conference programme, conference slides and abstracts book
- Place on the technical committee
- Exhibition Stand
- Social media input – provide content for 2 posts prior to event
- Opportunity to display pop-up banners in conference room (to be supplied by sponsor)
- 5 x delegate passes

EVENT SPONSOR £3,675 + VAT

- Company branding across all event materials including website, abstracts flyer, conference programme, conference slides and abstracts book
- Exhibition Stand
- Social media input – provide content for a post prior to event
- Opportunity to display pop-up banners in conference room (to be supplied by sponsor)
- 3 x delegate passes

LANYARD & REGISTRATION SPONSOR £3,675 + VAT

- Company branding across all event materials including website, abstracts flyer, conference programme, conference slides and abstracts book
- Logo on lanyards (to be provided by sponsor, or can be sourced at a cost)
- Opportunity to display a pop-up banner beside the registration desk throughout the event (to be supplied by sponsor)
- Social media input – provide content for a post prior to event
- 3 x delegate passes

NETWORKING RECEPTION SPONSOR £2,100 + VAT

- Company branding across all event materials including website, abstracts flyer, conference programme, conference slides and abstracts book
- Opportunity to display a pop-up banner during Networking Reception (to be supplied by sponsor)
- Social media input – provide content for a post prior to event
- 2 x delegate passes

EARLY CAREER PROFESSIONALS SUPPORTER £2,625 + VAT

- Logo to appear on event materials including website, abstracts flyer, conference programme, conference slides and abstracts book
- Fund x5 Early Career Professionals to attend Conference

EVENT SUPPORTER £1,260 + VAT

- Logo appear on event materials including website, abstracts flyer, conference programme, conference slides and abstracts book
- 1 x delegate pass for conference

EXHIBITION STANDS £1,350 + VAT

Opportunities exist for companies to demonstrate data and technology within the exhibition.

We will have a limited number of table-top exhibition stand spaces available. There will be ample opportunity for maximum interaction between exhibitors and delegates during the registration period, coffee breaks and during lunch. Exhibition packages include:

- A basic exhibition space (approx. 3m wide x 2m deep) is suitable for a pop-up portable display stand or tabletop display. Two or more adjacent units can be combined to make a larger space. A conference table and two chairs will be provided
- One free delegate pass for the conference
- Logo and company profile in abstracts e-book issued to all delegates
- Guaranteed 5-minute “Techbyte” slot in the conference programme
