

ENERGISING THE NORTH SEA

Conference and Exhibition
P&J Live, Aberdeen

5TH & 6TH NOVEMBER 2024

TECHNICAL PROGRAMME

Topsides UK 2024 is set to be an energised event focusing on two crucial pillars: Energy Security and Emissions Reduction. As the offshore energy landscape evolves, our conference brings together industry leaders to drive innovation and steer towards a sustainable future.

TECHNICAL PROGRAMME

This year, we're diving deep into topsides operations, exploring ways to optimise efficiency, reduce carbon footprints, and embrace cleaner energy solutions. Our goal is to extend asset lifespans while ensuring safety and productivity.

Topsides UK offers a platform for meaningful dialogue, shared learning, and actionable insights. Whether you're an operator, part of the supply chain, or an advocate for sustainability, join us in shaping the future of offshore energy and energising the North Sea and beyond.
