Why are we duplicating all this data?

How much data duplication do you do?

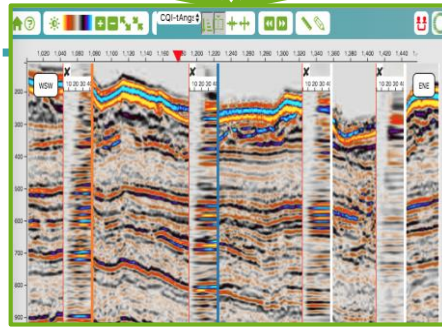

A single volume in a JV seismic cloud portal?

A single portal for all JV partners to access, view and analyse data

What role could the NDR play?

A **B** **C** **D** **E** **F** **G** **H**

National Data Repository

- No M&A data transfer headache
- Control by access permission
- Fulfill data requests faster
- Reduced relinquishment challenge

Shall we stop duplicating data?

- Stop moving data around by physical transfer
- Use cloud storage to connect geographies and organisations
- Deliver data faster
- Bring more expertise to our data
