local STEM
programs**

**Cost effective
training
opportunity**

SPONSORSHIP OPPORTUNITIES

The organisers of DEVEX 2023 are calling for your support to ensure that DEVEX 2023 continues to be an affordable and valuable training opportunity for the industry.

All sponsorship opportunities include extensive branding opportunities pre and during the event. Further benefits are listed under each package below.

All conference sponsors, depending on package, will receive free delegate passes to the conference, a place on the technical committee and unrivalled branding opportunities. Sponsoring the conference will help ensure you are seen as an 'employer of choice'.

This is your opportunity to sign up early, take advantage of the early bird sponsorship rates and be a prime example of industry collaboration to deliver a first-class conference for the industry. Any surplus funds get reinvested by each organising society to help support the future of our young engineers and geoscientists

Previous sponsors and exhibitors have included:

BP, Shell, Spirit Energy, CNOOC, Repsol Sinopec, CNR, TAQA, NSTA, Jersey Oil and Gas, Suncor, Harbour Energy, TotalEnergies, Dana Petroleum, Axxis Geo, Rock Flow Dynamics, HRH, ERCE, Hartshead Resources, Schlumberger, Halliburton, Computer Modelling Group, Geoteric, Inflow Control, Merlin Energy, NSNRL, Premier Corex, Resman, Resoptima, SeekOps, TCO, Welligence.

Testimonial

“It gave us direct engagement with operators – our key clients. This is one of the very few events where operators dominate proceedings and participate actively”

DEVEX 2023 – SPONSORSHIP PACKAGES

SPE Aberdeen, PESGB and AFES are not for profit organisations. Raising sponsorship is crucial to help us to reduce the ticket cost and maximise attendance, deliver a successful conference and to enable the organising charities to re-invest back into industry and society. By supporting this event, not only are you providing an important knowledge sharing and training opportunity for the industry, but you are also helping to support our future generation of young engineers and geoscientists.
